“AUTHORITY” (A False Religion)

“Authority” is an **ILLUSION** born out of **MIND CONTROL**, based entirely in **VIOLENCE**, and built upon the erroneous and dogmatic **BELIEF** that some people are **MASTERS** who have the moral right to issue commands, and others are **SLAVES** who have a moral obligation to obey the Masters.

“I believe that science should be accepted without question. I’m a doctor. I am a scientific expert. I decide what science is. You, on the other hand, are only a parent. If you don’t respect my scientific and medical credentials, or you refuse to follow my advice, I think the state should take your children from you.”

"The religion of "authority" is based upon the Illusion and Falsehood that some are Masters, who may set arbitrary dictates which are not based in Morality and enforced by violence, while others are Slaves who have a "moral obligation" to obey the arbitrary dictates set by the Masters. That is what the BELIEF in "authority" IS. This is not my OPINION of what it is, THAT IS WHAT IT IS, and this is a Falsehood.

It does not exist in Reality, it is an Illusion, it is a mental construct of an imbalanced Mind and an imbalanced Psyche. And the biggest Manifestation of this universal world Religion called the BELIEF in "authority" is Government."

1. Target a country by calling it a rogue state

4. Spread lies and propaganda through the mainstream media

2. Support local terrorists calling them 'Freedom Fighters'

5. Invade and control the country calling it 'Liberation'

3. Bomb the country into oblivion calling it 'Sanctions'

6. Install privately owned central bank, steal all resources calling it investment and reconstruction

COLLECTIVISM

is the notion that giving away responsibility for our lives to a leader, as if society is a cult, is the way to make sure everything will be OK. It always feels so good at the start. Seek a leader, and you will get a master. Be your own leader.

authority so much

-Leonardo da Vinci

Authoritarian followers seem to have a “Daddy and mommy know best” attitude toward the government. They do not see laws as social standards that apply to all. Instead, they appear to think that authorities are above the law, and can decide which laws apply to them and which do not.

FREEDOM

Rigged elections
Living in a police state
Forced dependence on oil
Propaganda instead of news
Beat and jailed for protesting
Forced to "earn a living" just to survive
Forced dependence on a FIAT currency
A judicial system bent in favour of the state
An indoctrination system rather than an education system
Forced to give most of your earnings to a centralised authority
Live in constant fear of harassment, extortion and incarceration
for not obeying orders

OR SLAVERY?

have taken authority as

as authority.”**
